BASP SUMMER CAMP 2021

Information for Parents:

What time do you operate?: 7:00am-5:30pm. If you are past 5:30, our late pickup policy is a charge of \$1/minute/child will be due in cash to the staff on duty either upon pick up, or the following day during drop off or pick up.

What does my child need on a daily basis?: A labelled water bottle (the water fountain is closed down), a labelled sun hat, a lunch that does not require any help from a staff to prepare, and a sweater. Please send sunscreen as we will supervise the children re-apply at lunch (P3 will have adult help); we will not have any extra sunscreen on site.

What time does my child have to arrive/leave?: The doors to the building will be LOCKED between 9:00am and 3:00pm. Activities begin at 9am so it's important your child is here so they don't miss out.

Can my child bring toys from home?: No. Only the items listed above may come to center. Nothing additional can come from home this includes electronics such as phones.

Water Days: On water days we will be offering water activities. On those days ONLY, please send: a towel, underwear, and a change of clothes. Please arrive to the program with bathing suits already on underneath clothing.

Outdoor Days: On these days children will be going on a community based adventure from 10am-2pm

Center Days: Activities are based around the theme and they will also spend time at a nearby park.

Breakfast Notes: We will NOT be providing any food items to facilitate breakfast. Have your child eat at home, or come with a breakfast fully ready to sit and eat. We will be able to provide cutlery if needed, but that is all.

Drop off/ Pick up Procedures: All children are temperature checked when they arrive by the staff at the front desk in the foyer. Please come in the first day to ensure there is nothing needed for you sign to allow participation during the week of care. Please follow the guides on the floor to ensure social distancing and if the foyer is full, wave at the staff and we will send out your child.

Sunscreening: Please send your child to camp already fully sunscreensed for the day (if it is a water day, please sunscreen around the bathing suit, not the clothes over top.

Masking: All persons must be masked when entering the building. This includes the children. As we are not able to mix cohorts it is important they are masked when heading to and leaving their rooms at arrival and departure.

Covid Protocols: We follow all current health measures that are in place for Childcare. This includes following the daily health checklist for all children and staff within the program. If your child is not well, please keep them at home, as we will call you for pick up if they show symptoms at the program.
